Frequently Asked Questions & Helpful Information

- **STROLLERS** -- Can we run/walk with strollers? Strollers are allowed HOWEVER – if you are in the walking section and are POWER WALKING with the stroller, please go to the running course. Please be courteous as you are leaving the starting areas; and if you are running with a stroller, you have to be at the end of the starting line – you cannot hinder those that are running without strollers; and runners with strollers need to stay to the right – last year people had to run outside cones into road to pass those running with a stroller.
- **PETS:** Are pets allowed at the race? No pets are allowed.
- **TEAM TEES:** Do we need a team shirt? For an additional \$3, you will receive an event t-shirt. However, if your team wants team shirts -- great! Remember, we are going to award the best event logo. For those not choosing the event tee, you receive an event promo item.
- **Me, RUN?** Do you have to run? No, walkers are encouraged and walk on the walk route.
- **FAMILY** Can family members of employees be on a team? Absolutely, family members are welcome. We encourage you to be on your corporate team if they enter, but if not, please join a family member's team.
