Safety and fun are all that we ask of you on parade evening. To participate in the parade, your float/unit must be decorated in holiday fashion. We do not have a parade theme. We also suggest that you create a BANNER / FLAG and place your group name on it, so judges know who you are! Also, make sure your group knows what NAME you are under.

PARADE ROUTE this year: The parade will use both sides of North Union Street again like last year. We stress to all participants NOT TO GO PAST THE PERSON on the opposite side of you. This is not a race. If parade participants stagger themselves, each side of the street will be able to see you :) The parade will come from Delaware Avenue onto North Union Street and will disperse once parade units pass through State Street roundabout.

PARTICIPANTS MEETING and PICK UP SPACE: Please let your participants know that they are to be dropped off around Delaware Avenue. They can be picked up at South Street (right at Lincoln Park) or at a discussed location of your preference.

REMEMBER YOUR FLOAT IS BEING JUDGED for AWARDS. If you are a dancing/music unit, please make sure you know where the judges stand is located!
