business after hours

2018 - 2019 season

greater olean area chamber of commerce

WHAT IS A BUSINESS AFTER HOURS? This monthly (August-May) opportunity to meet and network with other members is a valuable business resource. Relax, enjoy fine food and beverages, converse with your business colleagues-and maybe gain new customers! It's a great place to establish yourself among Chamber and other leaders. The key is to be friendly, sincere and, instead of selling your product, be interested in why the other people are there. Call it networking, schmoozing; mingling whatever. All your member employees are eligible to attend.
