

GOACC CyberNews & Updates

Thursday, July 23, 2020 | Issue 6

#StrongTogether

After twenty-one COVID19 formatted cybernews in three and half months, GOACC is going back to the twice a month format of this e-publication. Our main goal was to keep our members and your employees updated on what we knew on COVID guidelines, forms, incentives, etc.

We will continue to monitor the developments, updates, restrictions about COVID-19 and keep you informed of any new items.

PLEASE call our office if you have any question, COVID related or not -- we are here for you and your employees. Please keep an eye on [our website](#) for updates on events, Chamber news, and resources to help your business weather this trying time.
