The Greater Olean Area Chamber of Commerce is hosting an one-day membership drive Thursday, May 18, 2017 as a way to reach out to your business who is a potential member of the Chamber and invite you to join.

Terry Brairton, GOACC Board Member and member of the Membership Committee, stated,

“Different businesses get different things from belonging to the chamber. There are direct and indirect benefits of belonging to the chamber.”

The Chamber membership committee will be gathering at Paul Brown Chevy in Olean on May 18th and direct calling 200+ business organizations. The one day membership drive will include incentives when the businesses join that day.

You might wonder why your business should belong to the local chamber of commerce. What is in it for your business? I would like to say the answer is simple but in all reality it isn't that simple of an answer. (See Terry's statement)

Another reason to join the chamber is simply because we need you. The chamber wouldn't be a chamber if it weren't for our members.

Are you interested in joining GOACC? On May 18, the Member Committee will call local businesses & organizations to share the benefits of GOACC membership.

“Our members allow us to provide all of our services, whether direct or indirect. Some of these might help you, but some might help your clients. Either way, your membership helps local businesses,”

reported Meme Krahe Yanetsko,  
GOACC COO
