Starting soon the Chamber will launch a new weekly initiative on Facebook. Each Thursday we'll feature old photos of our member businesses and organizations.

The only thing we need is your photos.

Pictures can be of anything from your business or organization's past, like of opening day or your first dollar to old photos of your staff, building, or equipment. We'll also gladly accept photos of Olean and our downtown.

Email your photos to info@oleanny.com. Please include a brief description of the photo (e.g. names, where it was taken, what's happening in it), your name, and your organization's name.
