Greater Olean Area Chamber of Commerce is looking to the community for ideas for its 2021 Santa Claus Lane ornament. Through the ornament sales, holiday lights are funded and can be lit in Olean from November to early January. The ornament will be the twenty-six in a series created by artist Kathleen McDonald.

Every year, the Santa Claus Lane committee chooses the landmark to be designed on the 3 1/2 inch circular resin ornament. The artist sketches the layout from photos provided by Chamber officials and a prototype is created. Once the prototype is approved, work begins with the process of pouring and hand-painting each piece. The ornaments arrive in Olean, individually boxed, with a brief description of the ornament.
