## CYBERNEWS

CYBERNEWS — this is a promotional member benefit used by Greater Olean Area Chamber of Commerce that is sent out via email every other Thursday to its members.

**CYBERnews for events & activities of the Chamber and its members.**

THIS CYBERNEWS contains a listing of events with most of them canceled with rescheduled dates. We felt that you, our members, need to know this information. Some of the events listed are still being held (with the understanding of regulations and such) as of this email. Some events that are in April are also listed as still going on. Please use this cyber as a guide. If attending an event late March or April, please check with the organizer or check our [web calendar online](#).

Lastly, as you go through the listing, you will see a R or C in front of the date. This means that the event you see is either rescheduled or canceled. Also, if there isn't either letter, that means the event is going on.

Thank you for your patience with all the information that is being sent out to you. The Chamber is here to help our members and the community at large.

The GOACC Office will be open for regular business hours. We do ask that any individual who feels ill or has a cough, fever or other flu like symptoms, please visit us at a better time.

Our staff will try to conduct any business with customers over telephone, email, fax and mail to minimize the need for customers coming into the office for the time being.

Please bear with us during this difficult and uncharted time. Thank you.

**SPCA SPONSORSHIPS:** Cattaraugus S.P.C.A. is offering sponsorships as follows: \$250 for one month/\$2500 for one year sponsorship:  
The company can come in and take a picture with their sponsor animal that they choose. The photo is then loaded onto the SCPA Facebook page, with their company tagged in the photo and their 10K followers will help do the rest of the work.

The company gets advertisement and the animal gets exposure and hopefully an adoption! Once the animal is adopted, the SPCA can take a picture with their new family (something we already do!) and the company gets another post, branding the company with sponsored adoption of a homeless animal! Everyone wins here!

The benefit to the company is solely based on the power of social media. So it is important to keep an eye on the SPCA's page so you can share the posts and "like" or "love" the posts that they will be putting up. The more sharing, liking and attention the posts get, the more traction it gets and the more benefit to the animal and the company. To sponsor and help an animal find a forever home, please go to [online](#). You can also call 716-372-8492, text 716-986-5840 or [email](#).
