HAPPY MONDAY from JOHNNIE – TimeWarner Business Class in this conversion to Spectrum Business has made a lot ofchanges in quality of service, billing and service options. Our core services remain; TV internet andphone service. Those core services also mean phone systems, fiber opticconnectivity, cloud, office 365, and more. If your business or any of your dients have Time Warner reach out to meto see how these change may affect you. If you do not have Time Warner, this isTHE BEST TIME to look into switching over. I had the pleasure of meeting several GOACC members in the lunch andlearn I spoke at this past September.
